

# OAKS Portal Changes for 2017-2018

## Summary:

AIR will be updating the OAKS portal to a new content management platform the week of December 18 - December 22, 2017. The overall look and feel of the OAKS portal will remain the same, and all existing users who are currently registered to receive portal alerts via email will continue to receive them. However, the format of the emails and the process for registering for email alerts will be slightly different. Please find details about the new notification features below.

## Action Required:

Please ensure the following urls are whitelisted to ensure a smooth transition for access for users in your district:

<a href="http://oaksportal.org/">http://oaksportal.org/</a>	<a href="https://oaksportal.org/">https://oaksportal.org/</a>	<a href="http://www.oaksportal.org/">http://www.oaksportal.org/</a>	<a href="https://www.oaksportal.org/">https://www.oaksportal.org/</a>
<a href="http://oaksportal.com/">http://oaksportal.com/</a>	<a href="https://oaksportal.com/">https://oaksportal.com/</a>	<a href="http://www.oaksportal.com/">http://www.oaksportal.com/</a>	<a href="https://www.oaksportal.com/">https://www.oaksportal.com/</a>

## New Feature:

1. Registering for new email alerts: The “Register for Email Alerts” link will be located at the upper right hand of the portal. Subscribers will use a secure, double opt-in process to subscribe and unsubscribe easily.
2. New alert settings: Alerts will now be sent via email once a day as opposed to whenever a new alert is posted. These alerts are managed by MailChimp. For reference, please see the screenshots below.

New registration page for email alerts:
